

Intent to Promote Evaluation Form

Dear Parents and Teachers,

The goal of American Karate Studios is to help our students develop strength, focus, discipline and respect. This student is physically ready for the next belt level. Would you please give your opinion on if you feel this student has matured enough to earn his or her next rank. Some of these forms will be selected to be read during the belt exam.

Parents:

My child, _____ has been behaving and cooperating at home. ___YES ___ NO
